## WELCOME TO THE BULLANT BREWERY

Opened in January 2011 in the beautiful village of Bruthen is East Gippsland's first boutique micro brewery. Bullant Brewery produces a range of the finest Ales, Stouts, and Pilsners to satisfy every taste.

The centrepiece of the brewhouse itself, sourced from Richmond Virginia USA, is the copper clad mash tun and steam heated kettle supported by 4 jacketed stainless steel uni-tanks used for fermentation and 2 bright beer tanks. The brewhouse is capable of brewing up to 1400 litres of beer at one time.

The Richbrau Brewing Company in Richmond Virginia was a victim of the global financial crisis, so the brewery/restaurant established in 1996 was forced to close. But it is Bruthen that gave it a new lease on life, brewing fantastic handcrafted beers for all to enjoy.

Our beer is brewed from malted grain milled at the brewery, water, hops and yeast. All the ingredients are natural with no preservatives.

We pride ourselves on being environmentally friendly with a 30kw solar array supplying the bulk of our power needs, rain water tanks and the spent grain is fed to live stock.

Please peruse our menu and beer list and our daily Chefs selections as displayed. If you need guidance please ask one of our helpful wait staff.

Please inform us if you have any food allergies and we will endeavour to meet your requirements.

*A 12% surcharge applies on all Public Holidays*
